c. or it will be destroyed soon
d. but there weren't any seats left.
e. for they are quick and easy.

READING

۱۲. متن زیر را بخوانید و به سوالات داده شده هر قسمت پاسخ دهید: (۴ نمره)

As I mentioned a moment ago, saying thank you more often and giving thanks as part of a daily gratitude practice can have an important impact on your personal well-being.

For non-native English speakers, regularly saying thank you can also have a major impact on how people view you, and how they interpret your meaning and your message.

First of all, saying thank you shows good manners. It's one of the quickest and easiest ways to ensure that someone sees you as polite.

Admit it – we're more likely to remember when someone doesn't say thank you after we've invested time and energy into helping them.

Besides sounding more polite, saying thank you indicates that you understand and respect that the other person offered you their time, energy, knowledge, or assistance.

Showing appreciation has an additional benefit: it enables us to connect with others. When we sincerely appreciate how other people contribute to our lives, this creates a deeper shared bond between us.

In turn, this often leads to a stronger friendship, or a more supportive work relationship with more opportunities to work together and collaborate in the future.

When you're being sincere, you truly mean what you say, your feelings are authentic, and your attitude is genuine, not fake.

Choose the best answer:

39. The passage is mainly about.....

- a) different ways of saying thank you
b) the definition of appreciation and respect
c) the effects of showing good manners
d) several ways respecting elderly people

پیر هوشان
حضرت محمد (ص)

True / False

40. Gratitude is in fact a practice in our daily life.

A) True

B) False

41. There is no relationship between saying thank you and your personal health.

A) True

B) False

Answer the following questions:

42. Which word in the passage means "show"?

43. What do people spend to help someone?

44. What is the benefit of appreciation?

(صفحه سوم)

۱۳. متن زیر را بخوانید و به سوالات داده شده هر قسمت پاسخ دهید: (۴ نمره)

In 1604, a teacher named Robert Cawdrey compiled a list of words into *A Table Alphabetically*, which defined difficult English words borrowed from Latin, Greek, French, and Hebrew. Throughout the 17th century, other English men published lists of hard words with easy to understand definitions, and people turned to the dictionary to learn these words.

Although Noah Webster wasn't the first American to produce a dictionary, his name has become synonymous with the American dictionary. Hoping to help create a uniquely American lexicon, with Americanized spelling and pronunciation of words, Webster wrote *An American Dictionary of the English Language*. To thoroughly research word origins and sources, Webster got serious about becoming an etymology expert. He learned 26 languages, including Sanskrit and Old English, to write his dictionary. Published in 1828, it contained 70,000 entries and included the first definitions of "American" words such as *chowder* and *skunk*.

After Webster died in 1843, George and Charles Merriam bought the rights to revise Webster's *An American Dictionary of the English Language, Corrected and Enlarged*. The two brothers printed and sold books in Springfield, Massachusetts, and their intellectual property purchase paid off. In the fall of 1847, the Merriams issued the first revised Webster dictionary for six dollars. The book sold well, and the G. & C. Merriam Co. was eventually renamed Merriam-Webster, Inc. in 1982. Merriam-Webster continues to publish popular print and electronic dictionaries today.

True / False

45. Webster was the first American who produced the first English dictionary. A) True B) False

46. After Webster's death, two brothers bought an American English Dictionary A) True B) False

Choose the best answer:

47. The name of this American dictionary is

- a) the name of three brothers
- b) a combination of the name of two brothers and Webster
- c) the name of the first teacher named Robert
- d) just the name of a big company

48. George and Charles Merriam sold this famous American revised dictionary very well

- a) in 1843
- b) in 1982
- c) 4 years after Webster's death
- d) after renaming their company

Answer the following questions:

49. What did Webster need to produce his dictionary?

50. What is the origin of the difficult English words?
